TOWN OF RANGELEY  
STATE OF MAINE  
HOUSE OF REPRESENTATIVES  
AUGUSTA, MAINE 04333

**TO THE CITIZENS OF RANGELEY**

The 112th Legislature is now in session and I write this letter because too few people realize the influence they can have in the legislative process. I hope you will keep up on what is happening at the Legislature and express your opinions to me from time to time on issues and bills in which you have an interest.

As your State Representative my first concern is to be available to hear your feelings on proposed legislation which may have a direct effect on Rangeley and its residents. While the Legislature is in session, I can nearly always be reached by calling the House of Representatives at 289-1400 or at my home, 824-3290. In addition, I will be available in Rangeley as often as my legislative schedule permits.

Lists of all bills introduced and enacted are mailed to your selectmen and town clerk weekly. Copies of all bills introduced in the Legislature are also mailed weekly to your town clerk. The 1985 Legislative session should continue until early June.

Please contact me directly to let me know your feelings about any legislation you are interested in and if you want copies of any bills. I will also do my best to help resolve problems or questions relating to state government agencies. Feel free to call me at the Capitol toll free 1-800-423-2900.

I am proud to be representing Rangeley.

Sincerely,  
Jeffery N. Mills  
State Representative

## ANNUAL REPORT

MAINE MUNICIPAL ASSOCIATION  
Community Drive - Augusta, Maine 04333

September 27, 1984

Dear Mr. Farnsworth:

Our congratulations to the Town of Rangeley. Your community has been selected to receive the Excellence Award in your population category in the 1984 Maine Municipal Association Annual Report Competition. The certificate for this award is enclosed.

The Annual Report Competition judges base their decision on the usefulness, content and graphic appeal of the reports. Supreme Merit, Superior, and Excellence awards are presented to the municipalities which have compiled outstanding annual reports, in nine population categories.

We are aware that considerable time and effort is required to produce a report which is useful and meaningful to your citizens. The municipal officials and citizens who participated in developing the quality report which earned this award deserve the appreciation of the entire community.

On behalf of the Maine Municipal Association, I extend our congratulations, and we thank you for participating in this important MMA program.

Sincerely,

Christopher G. Lockwood  
Executive Director

### TOWN MANAGER'S REPORT

To the Citizens of the Town of Rangeley:

Because of the resignation of Frank Farnsworth early in December, I am submitting to you the report of the activities of the Town of Rangeley for the year 1984. I will report as briefly as possible on the accounts which are under the jurisdiction of the selectmen and the Town Office. The various departments have detailed individual reports for your information.

The Selectmen regret the loss of Walter Davenport on the Board due to his health. He was an asset to the Board. Dean Morrison came on in November to replace Mr. Davenport.

The Town Office personnel are doing an efficient job for the taxpayers of Rangeley. You should all be proud of them. Willetta Hall resigned from her part-time position and Georgia Collins is her replacement. Roy Woodman who audited the Town books for many years is retiring and Mr. Edward McInnis of Waterville has been hired for five years.

The Town Park in Oquossoc is completed with the exception of the fence. That will be put up in the Spring. A lot of ditching which was badly needed was done on the town highways this year. Additional blacktopping was done and there will be a continuation of this in 1985.

The airport lighting will be finished in 1985. The Haley Pond dam which has needed repairs for a few years has been repaired and is in good shape thanks to John Brackett's blueprints.

The Town Manager's position was advertised in December and nineteen applications were received. After interviewing several applicants, Mr. Richard Adams from Buckfield was hired and he started work on January 11, 1985. He was a selectman in Buckfield for sometime which gave him a good background of town business. We feel he will do a good job.

If there are any questions in regard to the Town Report, we have complete records at the Town Office and the office personnel, Town Manager, or I will be glad to assist anyone. I wish to thank the Town Employees, Budget Committee Members and the citizens of Rangeley for the support and cooperation they have given us this past year.

Respectfully submitted,

Howard E. Gurney  
Chairman, Board of Selectmen

### REPORT OF THE WINTER PATROL

From November 15, 1984 to February 1, 1985, I have completed approximately fourteen weeks of Patrol Service. During this time four complete checks have been made to area camps. Approximately eight hundred camps are inspected every ten to fourteen working days. Five breaks have been discovered and reported with nothing being taken or damaged except the doors. Many cards have been sent to camp owners informing them of unlocked doors and windows as well as lights being left on. During the past year, I have successfully completed 100 hours of police training school. My thanks go to the Rangeley Police Department and the Rangeley Town Office for their cooperation.

Respectfully submitted,

Officer Charles Steward  
Winter Patrolman

### AMBULANCE REPORT

Once again the Rangeley Region Ambulance Corps (RRAC) had an increase over the previous years ambulance runs. The corps responded to 124 calls for assistance, almost a 20% increase over 1983. The work load placed on the crew members by this many runs is very demanding. Despite this activity members were able to maintain their skills through regular monthly training and in many cases attending additional or advanced courses elsewhere. This kind of commitment is truly an asset to the Rangeley region.

As in the past, the RRAC sponsored an Advanced First Aid course and offered recertification for persons who have taken the Basic Life Support course.

There were three major events this year which made 1984 special for the corps. In June the RRAC became radio dispatched. Besides enabling faster response times the new system has enhanced the efficiency of the corps by improving communication between crew members and their dispatch. We believe this has led to better patient care. In addition radio dispatch has improved call scheduling within the corps.

Those of you who have seen the new ambulance which arrived in September can understand why the corps was anxious for its appearance. It is all that we had hoped for. Thanks to the generosity of the people of Rangeley, residents and non-residents alike, our ambulance fund drive is on schedule. To date the support the corps has received has been tremendous.

## ANNUAL REPORT

In January 1985 the RRAC was licensed at the new Advanced Life Support level. This occurred because two of the corps members became certified at the IV/defibrillation level by attending a several month long course in Lewiston. This new license level allows the advanced EMT to use a defibrillator, a very potent life saving device.

This change in our license level may only be maintained if we up-grade our equipment this year. The State requires that all ambulance services at the intermediate Advanced Life Support level have a defibrillator which is equipped with a recording device. The corps' present defibrillator not only does not have this device but is unable to be fitted with one. This means that the corps will have to purchase a new defibrillator, a six to ten thousand dollar piece of equipment. There is an article requesting this money in the town warrant.

I believe that a new defibrillator is a necessary acquisition for the Town of Rangeley. Although not used often, this piece of equipment has been shown to greatly increase the survival rate of persons who have had a cardiac arrest. Without a new defibrillator the RRAC will also lose its license to start IVs, another life saving tool. Because of the State's licensing laws, the corps will be unable to progress to more advanced levels of care without a new defibrillator. As I explained in my report last year, the Rangeley region must be able to provide Advanced Life Support services because of our remote location and our large seasonal population.

The RRAC has come a long way since its inception over 10 years ago. With the continued support of the people of Rangeley and the surrounding communities I believe the corps will continue to expand and improve its ability to respond to those in need.

Respectfully submitted,

Robert Giggey

Director,  
Rangeley Region Ambulance Corps

I have examined the combined financial statements of the Town of Rangeley, Maine, for the combining and individual fund financial statements of the Town as of and for the year ended December 31, 1984, as listed in the Table of Contents. My examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

In my opinion the combined financial statements referred to above present fairly the financial position of the Town of Rangeley, Maine at December 31, 1984, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year. Also, in my opinion, the combining and individual fund financial statements referred to above present fairly the financial position of the individual funds of the Town of Rangeley, Maine at December 31, 1984, and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

In connection with my examination, I also (1) performed tests of compliance with the Revenue Sharing and Anti-recession Fiscal Assistance Acts and Regulations as required by Sections II.C.3 and III.C.3 of the Audit Guide and Standards for Revenue Sharing and Anti-recession Fiscal Assistance Fund Recipients (Guide) issued by the Office of Revenue Sharing, U.S. Department of the Treasury, and (2) compared the data on Bureau of Census Form RS-9 with the audited records of the Town of Rangeley, Maine, as required by Section II.C.4 of the "Guide."

Based on these procedures, I noted no instance of noncompliance with the regulations and no differences between the data on Bureau of Census Form RS-9 and the records of the Town of Rangeley, Maine for the year ended December 31, 1984.

## ANNUAL REPORT

### HEALTH OFFICER'S REPORT --- 1984

The Town of Rangeley passed the year of 1984 without any serious health issues arising.

Immunization clinics: once again the Adult Immunization Clinic was organized with the help of the Rangeley Health Council, with a record number of doses of influenza vaccine administered during October and November.

Waterborne disease: although a few cases of enteritis-related illness were investigated, only one case of Giardiasis was identified, and other pathogens were not in evidence.

Public Nuisances: A single case of suspected problems with garbage disposal was brought to my attention, but there appeared to be no threat to public health under the circumstances.

Infectious disease: Reportable contagious disease included the usual sporadic cases of streptococcal pharyngitis, a few isolated episodes of impetigo, rare (non-resident) venereal disease cases, and a few cases of varicella.

I would like to thank those who have helped me in my duties as Health Officer over the past two years, and hope that my successor will have your support and assistance in the future.

Respectfully,

Evangeline R. Lausier, MD

### RANGELEY SEWER COMMISSION

The year of 1984 was one of change and lack of direction. At best it was a troubling time, spent in trying to gain direction.

The year started with the Commission being; Robert Meader, Chairman, William Ellis, Secretary; Earl Fraser, and Robert Welch.

## ANNUAL REPORT

In January the budget was reviewed and sent to the Selectmen and the Budget Committee.

February found the Commission holding the first ever rate hearing on unit charges, and unit rates. There was 4 members of the general public in attendance. The unit schedule was revised, and the unit charge was set at \$120.00 per unit. A request was made to the Selectmen for a town meeting article to clarify the duties and responsibilities of the Commission.

After March town meeting, the board consisted of: Robert Meader, Chm., Earl Fraser, William Ellis, Robert Welch, and new member Roger Verrill, was elected Secretary. Two (2) sewer hook-ups were voted, and requests were made of the Selectmen for office space in the old CD office located in the town office basement.

A period of inactivity occurred next. Member Earl Fraser was hospitalized for much of this period, and the commission had no quorum during June, July, August, September, October, and November.

On November 18, Robert Welch resigned, and on November 20, 1984, the Selectmen appointed George Roth, to fill his seat until March 85 Town Meeting.

December saw the commission end the year with a flurry of activity, with year-end abatement request, review of the closing year budget, bids on the aerator, chemical supplies, and a proposal on sludge utilization.

As 1984 ended and 1985 started, Chairman Robert Meader resigned as well as member, William Ellis. Appointed to take their places were Douglas Johnson, and Kenneth White. A resignation was also handed in by secretary Roger Verrill, effective March 85 Town Meeting. All five (5) Sewer Commission seats will be on the ballot at March Town Meeting.

Respectfully submitted,

Jerome Guevremont

## ANNUAL REPORT OF THE RANGELEY REGION GUIDES' AND SPORTSMEN'S ASSOCIATION

To the Citizens of the Town of Rangeley:

Many thanks for the appropriation voted by you at the March 1984 Town Meeting. That same amount has been put to excellent use with our Hunter Safety Course, for both adults and youngsters, minor repairs at the Oquossoc Screen, and sponsoring 2 youngsters at the Conservation Camp in Ellsworth, Maine.

## TOWN OF RANGELEY

At this time, we would like to remind all that the new "hunting with firearms law" goes into effect on January 1, 1986 and this law specifies: "ANY PERSON WHO APPLIES FOR A MAINE LICENSE TO HUNT WITH FIREARMS OTHER THAN A JUVENILE LICENSE SHALL SUBMIT PROOF OF HAVING SUCCESSFULLY COMPLETED A HUNTER SAFETY COURSE AS PROVIDED IN SECTION 7035, AN EQUIVALENT HUNTER SAFETY COURSE OR SATISFACTORY EVIDENCE OF HAVING PREVIOUSLY HELD AN ADULT LICENSE TO HUNT WITH FIREARMS IN THE STATE OR ANY OTHER STATE, PROVINCE OR COUNTY IN ANY YEAR BEGINNING WITH 1986.

WHEN PROOF OF COMPETENCY CANNOT OTHERWISE BE PROVIDED, THE PERSON MAY SUBSTITUTE A SIGNED AFFIDAVIT THAT HE HAS PREVIOUSLY HELD THE REQUIRED ADULT HUNTING LICENSE OR THAT HE HAS SUCCESSFULLY COMPLETED THE REQUIRED HUNTER SAFETY COURSE."

The Association conducts one of these courses on an annual basis and, to date, has been very successful with the youth of the community. Charles Steward devotes many hours of his time as head instructor with Pat Walker, Al Fountaine, and Ken Copeland, all certified instructors with the State of Maine.

The Association sponsored Shannon Webber and Michael Grondin at the Conservation Camp in Ellsworth and "Mike" came back with the first trophy to Rangeley from the camp - first place, out of 138 "kiddos," for his fly casting. We are honored.

Again, it is the responsibility of the association to clean and maintain the Oquossoc Screen. Crews worked there during the summer and fall cleaning leaves and debris from the screen - also, patched the screen. We have urged people residing on Rangeley Lake to refrain from tossing leaves, limbs, grass cuttings, brush and any other debris into Rangeley Lake. It is illegal to do so.

Preserving this beautiful region is our duty and obligation.

Again, thank you all.

Respectfully submitted,

June L. Copeland  
Secretary

## ANNUAL REPORT

### REPORT OF THE RANGELEY PARK COMMISSION

The spring and summer of 1984 saw much activity in both the Rangeley & Oquossoc Parks.

Lifeguard Lila Hopson; Park attendant Melissa Haines; and helper Jerry Brown all contributed their efforts in keeping the Rangeley Park in good condition.

In '85 we hope to paint the interior of the bathhouses and repair the dock. We intend to secure the picnic tables that were supposed to be purchased in '84 as well as to replace picnic shelters. A new tractor mower was bought, therefore the money supply ran low and the above two items re: picnic tables did not get done.

Under local civic groups the Snodeo was held as well as the winter carnival and fireworks. All events were very well attended.

We saw the completion of the tennis court in the Oquossoc Park. The old schoolhouse playground equipment looks great and was a busy place for the local and summer visitors' children. Thanks go to the R. Thompson crew for getting the equipment ready and installed. Seeding was done by Guy Conrad with material donated by the Garden Club in '83.

A generous donation of \$250.00 was made by the Oquossoc Log Church to buy a used Chemical Toilet, said facility will be installed in the spring. Other donations (1) \$75.00 from the Oquossoc Log Church to be used for a sand box for the little children, this to be completed and delivered in the spring of '85. (2) A commitment was made in '84 for \$1,000.00 from a businessman in Oquossoc towards fencing for the sides of the park. The fence was bought but delivered too late to be installed, so that will be done in the spring, also.

Cris Hughes kept the park clean and mowed when it was necessary.

We thank everyone for their good work in both parks and for the donations we received, as well as the support from the people of Rangeley.

The members of the Park Commission have greatly missed one of its members, Joanne Blythe. She was a very devoted member, and her talents and efforts were greatly appreciated.

Respectfully yours,

Edwina Green, Chairperson  
Joanne Koob, Co-Chairperson

### ANDROSCOGGIN HOME HEALTH SERVICES, INC.

Dear Mr. Farnsworth,

In 1984, the residents of Rangeley voted \$400 to help support Androscoggin Home Health Services, Inc. This contribution helped to bring many more homecare services to your residents in 1984. The breakdown of these visits by type and number is on the attached form which also includes 1983 services for your comparison. A.H.H.S. is very pleased to have been able to provide more services to your residents.

Androscoggin Home Health Services is requesting the same funding level of \$.50 per capita as in the last four years. Therefore, our request of Rangeley is \$512. As in years past, our staff endeavors to help anyone who desires to be cared for at home in collaboration with physician and family. In

## ANNUAL REPORT

1984, the residents of our entire service area received 54 percent more homecare visits than in 1983. The demand for homecare is expected to continue to expand in 1985 in view of earlier discharges from hospitals and more people desiring to stay out of nursing homes. Androscoggin Home Health Services staff have worked exceptionally hard this year to meet the demands for homecare services. Help us to continue this increase in services through your town's support. As always, we are grateful for your past support.

Sincerely yours,

Betsy J. Perry  
Senior Vice-President

## RANGELEY LAKES REGION CHAMBER OF COMMERCE

### ANNUAL REPORT

It is my pleasure to submit my third and final report to the citizens and taxpayers of Rangeley and Dallas, Sandy River, and Rangeley Plantations. It has been an honor to serve as President of your Chamber of Commerce, and I thank you all for your support and participation.

I am happy to report that your Chamber is very solvent, very very healthy, and has grown into a strong, mature association making a major impact on the health of the economy of this area. And, again, I remind you that tourists not only bring new money to the area while on their initial vacation, but they return again and again to often eventually buy land; build homes; buy gas, clothes, hardware, groceries, pharmaceutical supplies; employ builders, road builders, tractor, truck, and backhoe operators; and create jobs for waitresses, chamber maids, bartenders, lift operators, snowmakers, and many many other jobs and services.

We are a healthy and growing group of communities. My congratulations to all who have assisted in this growth. My best wishes to all who will contribute and participate in the future. I have had the opportunity to be involved as one of the original Directors of Saddleback way back in 1958, promotional director for your Chamber of Commerce from 1957-1964, and many other community volunteer positions; and these have been broadening and rewarding experiences. I encourage young people to become more involved in community organizations. It will be rewarding to both you and The Region.

The following pages give a summary of the financial and membership health of your Chamber of Commerce. I encourage your strong support for the officers and directors for 1985.

Thank you, and

Respectfully submitted,

Paul N. Ellis, President

#### ACTIVITIES:

The 75th Anniversary of the Library was celebrated at a festival Program on August 3, 1984, with 150 guests present.

Recent repairs and improvements include concrete pads installed beneath the dripline of the roof, replacing those that over the years had become badly heaved and cracked. Railings now extend down the steps to the sidewalk, making access to our split-level building a little easier and safe for all. The walkway from the street has been replaced with a new cement surface.

The Library continues to be open five days a week for 20 hours in the winter, and six days a week for 36 hours in the summer months. According to current library standards, the Rangeley Public Library is equipped to serve a population of 2500 people, even though the combined population of the Rangeley Region is about half that number.

The children's summer programs are popular and well attended. Fun Timers (5-8 year olds) enjoyed field trips to Blueberry Hill Farm, the Reich Museum and the Potter's Wheel in addition to activities in the Library. The Adventurers (10-12 year olds) led by Wilbur Rippey began with forests, studying tree growth and logging operations, and finished with a visit to the Stratton mill, to see how wood can be used.

## ANNUAL REPORT

Once again funds from Rangeley Rotary Club provided books and materials for the summer programs. A major amount went for children's books/cassette sets, which have been well used. The Club also donated four sets of earphones and a listening center, so that families or friends can enjoy the sets together.

The incidence of chimney fires increased this past year for both companies. Three of these could have been extremely serious but were reported promptly. We urge everyone who burns wood to check their chimneys frequently and have them cleaned if necessary.

We applied for a grant from Rural Community Fire Protection, administered through the Maine Forest Service for funds to purchase and install State Fire Crystals in our present radio system. We were awarded these funds and the crystals have been installed, giving us communications with the Forest Service and other towns in the event of a Mutual Aid fire.

This past summer the Insurance Risk Services (ISO) survey was done in this town, the first since 1934. This organization evaluates fire protection capability for the insurance companies which set their rates on these findings.

We would like to thank the members of Companies 1 and 2, the Selectment and citizens of Rangeley, Rangeley Plantation, Dallas Plantation, Sandy River Plantation, the Red Phone Ladies and our Ladies Auxiliary for their continued interest and support.

Respectfully submitted,

### REPORT OF THE RANGELEY SNO-DRIFTERS

Our club has been busy again this season with trail cutting and grooming. Some trails have been re-located or closed due to lumbering operations. We are fortunate to have had a good snow year, and we wish to thank the land owners again for letting us create this trail network. Without their cooperation and generosity, snowmobiling would be nonexistent in the Rangeley area.

Special thanks also to all of the people and local businesses who have donated money and labor in support of our trail system. A list of donors will be in the Rangeley Highlander at a later date.

## ANNUAL REPORT

### REPORT OF THE SUPERINTENDENT OF SCHOOLS

There have been many accomplishments since my last report to the citizens of Rangeley.

The school has returned to a separate kindergarten. This has made it possible to return to a single grade for each elementary teacher.

We were able to purchase a new school bus after the old bus broke down. The Town should plan to replace the other bus in two years.

Policies in regard to sporting events have been developed. A policy in regard to discipline has been completed and each parent and student given a copy.

The School Committee is negotiating with the teachers for a new contract. From this contract there should be many improvements in tidying up misunderstandings.

There has been a real effort to coordinate the curriculum for grades K - 12.

We have instituted a "Great Books" program to develop critical thinking on the part of students. Volunteers have been instrumental in the program and have given time and effort to the project.

The high school was one of ten schools in the state selected for a "Humanities Project" this year.

Rangeley received a grant of \$18,000.00 from discretionary funds under special education for a cooperative educational project which is on-going in the school under the direction of Dr. Joanne Putnam.

Mrs. Elizabeth Hunger has served on the committee for accreditation for the New England Association of Colleges. She has also been appointed to work with a select group of Administrators under a grant from the Mellon Foundation to upgrade teaching in the area schools.

Mrs. Janet House was elected the new kindergarten teacher this past year. Mr. Terrence Coyne is the new business education teacher and Mr. Isaac Dyer is the new principal. Mr. Stephen Richard is teaching in the Migrant Program and Celise Laverty is the Aide in special education.

This year the school is doing a self-evaluation study which is needed for the five year state approval.

The school building is in good repair. Plans should be made to do some work on the roof as preventive measures. The roadway and parking lot should be paved. As the building gets older, there will be more upkeep expenses.

## TOWN OF RANGELEY

This is the third year that the students have taken a standardized test. It is important to continue this testing to enable the teachers to see what areas need more attention and to compare with national and state norms.

The school continues to keep with present trends. All students are encouraged to have a computer course before they graduate. This year we are installing word processing in the business education department. The P.T.F. has supported the schools in many ways and one of the outstanding projects was to purchase an Apple computer for the elementary grades.

The enrollment as of October 1, 1984 was as follows:

	<b>Secondary</b>	<b>Elementary</b>
Rangeley	62	182
Dallas Plantation	1	14
Lincoln Plantation	2	0
Magalloway Plantation	1	0
Rangeley Plantation	8	13
Sandy River Plantation	3	1
Coplin Plantation	1	0
Wentworth Location, N.H.	2	1
<b>TOTAL:</b>	<b>80</b>	<b>211</b>

As a comparison, below is listed the enrollment of October 1, 1974:

	<b>Secondary</b>	<b>Elementary</b>
Rangeley	62	138
Dallas Plantation	3	20
Rangeley Plantation	4	5
Sandy River Plantation	7	9
S.C.U.T. (Cupsuptic)	0	3
<b>TOTAL:</b>	<b>76</b>	<b>175</b>

The cost of education continues to increase. As this increase continues, the citizens should make certain the student academic achievement is the focus of the school.

I wish to thank the School Committee for their dedication. I would like to invite any and all citizens to come to my office to discuss the many aspects of Rangeley Lakes Regional School. Thanks to the many who help to educate the students of the area.

Respectfully submitted,

Earle A. Cooper  
Superintendent of Schools

### TAKE NOTE

### FINAL NOTICE

In reference to Section 22 of the Building Codes Town of Rangeley.

Section 22. VIOLATIONS. Any building constructed or work performed in violation of the provisions of this ordinance - or - any permit issued by the Building Inspector, or any occupancy of any building constructed as a dwelling without the required certificate of occupancy shall be considered a nuisance.

Any person found guilty of violating any provisions of this chapter shall be subject to a fine of not more than \$100.00 for each offense. Each day in which a violation is provided to exist shall constitute a separate offense under this section.

NOTE: 1954 R.S., C. 90-A, sec. 3, IV, E. 1. "Any building, structure, trailer parking facility or equipment existing in violation of an ordinance authorized by this subsection is a nuisance."

It has been the policy of the Town to date, to only require permit application or fee after a violation has occurred. However, after **April 1, 1985, the Code Enforcement Officer will enforce Section 22 as it is written without exception.**

*... About the Cover ...*

**OQUOSSOC UNION (LOG) CHURCH**

Oquossoc wanted a church. Two woodsmen started chopping. Logs were hauled with horses and sleds. It was constructed entirely of logs by Anson Hayford and Leon Wright in 1916. The Parish Society was organized in 1917, and George W. Pillsbury was elected its first president, an office he held until his death in 1966. The first minister was the Rev Herman Childs.
